

# Boys' Brigade

Good afternoon everybody! We are looking forward to another great year in Boys Brigade! The leaders and Bob Santaniello worked hard on Thursday night to plan this fall's activities. There are many Saturday activities in place of Thursday nights this fall, so please check/coordinate these with your family calendar. I also need to know T-shirt sizes since the boys are growing so fast. I will order these after I hear from you. I do have a few extras from last year; I will be checking their sizes on Sunday at church. If your boys' t-shirt no longer fits, consider saving it for a younger sibling or donating it to another boy that might have grown into it!
